

## Quicken Conversion Instructions

---

Starting September 23, 2024, North Shore Bank and Abington Bank's systems and operations fully integrate. Due to this integration, you will need to modify your Quicken Online settings to ensure that your data connectivity transfers smoothly to the new system. This document contains instructions for both Windows and Mac.

**IMPORTANT:** Express Web Connect will not be available until 5 business days after Monday, September 23<sup>rd</sup>, so please utilize another connectivity type if you need transaction updates during this downtime. There is no delay for Web Connect or Direct Connect (if supported).

To navigate this document, just click the link or links below that match your product and connectivity:

Instructions for One-Step Update initiated from within Quicken

[Quicken Windows Direct Connect and Express Web Connect](#) - Page 2

[Quicken Mac Direct Connect and Quicken Connect](#) - Page 3

Instructions for Downloading a Web Connect file from your Online Banking Site

[Quicken Windows Web Connect](#) - Page 4

[Quicken Mac Web Connect](#) - Page 5

**IMPORTANT:** If you currently use Direct Connect in Quicken to initiate Bill Payments, please complete the additional tasks at the link below. If you do not use Direct Connect Bill Pay or you only initiate Bill Payments from within your online banking site, these additional tasks are not required.

## Quicken Windows Direct Connect and Express Web Connect

### On Monday, September 23<sup>rd</sup>, 2024:

1. Back up your Quicken Windows Data File. Go to **File > Backup and Restore > Backup Quicken File**.
2. Download the latest Quicken Update. Go to **Help > Check for Updates**.
3. Complete a final transaction download. Accept all new transactions into the appropriate registers.

### On or After Monday, September 23<sup>rd</sup>, 2024:

1. Deactivate online banking connection for accounts connected to Abington Bank.
  - a. Choose **Tools > Account List**.
  - b. Click **Edit** on the account to deactivate.
  - c. In Account Details, click **Online Services**.
  - d. Click **Deactivate**. Follow prompts to confirm deactivation.
  - e. Click the **General** tab.
  - f. Delete Abington Bank and Account Number information. Click **OK** to close window.
  - g. Repeat steps for any additional accounts that apply.
2. Reconnect the online banking connection for your accounts.
  - a. Choose **Tools > Account List**.
  - b. Click **Edit** on the account you want to activate.
  - c. In Account Details, click **Online Services** and then choose **Set up Now**.
  - d. Enter North Shore Bank (New) in the search field and click Next.
  - e. Enter your Abington Bank credentials.
    - Express Web Connect uses the same credentials you use for Abington Bank's online banking.
    - Direct Connect might require credentials that do not match your online banking credentials.

**Important: If your credentials do not work, contact Customer Care at 877.380.2265.**

  - f. Ensure you associate the accounts to the appropriate accounts already listed in Quicken. Select **Link to an existing account** and select the matching accounts in the drop-down menu.

**Important: Do NOT choose "Create a new account" unless you intend to add a new account to Quicken.** If you are presented with accounts you do not want to track in this data file, choose **Ignore – Don't Download into Quicken** or click **Cancel**.
  - g. After all accounts have been matched, click **Next** and then **Done**.

## Quicken Mac Direct Connect and Quicken Connect

### On Monday, September 23<sup>rd</sup>, 2024:

1. Backup Quicken Mac Data File and Update the application.
  - a. Choose **File > Save a Backup**.
  - b. Download the latest Quicken Update. Choose **Quicken > Check for Updates**.
2. Complete a final transaction download.
  - a. Complete last transaction update before the change to get all of your transaction history up to date.
  - b. Accept all new transactions into the appropriate registers.

### On or After Monday, September 23<sup>rd</sup>, 2024:

#### Activate the online banking connection for accounts connected to Abington Bank.

1. Click your account in the Accounts list on the left side.
2. Choose **Accounts > Settings**.
3. Select **Set up transaction download**.
4. Enter North Shore Bank (New) in the search field, select the correct option and click **Continue**.
5. Enter your Abington Bank Online Banking credentials.
  - Express Web Connect uses the same credentials you use for Abington Bank's online banking.
  - Direct Connect might require credentials that do not match your online banking credentials.

**Important: If your credentials do not work, contact Customer Care at 877.380.2265.**

6. In the "Accounts Found" screen, ensure you associate each new account to the appropriate account already listed in Quicken. Under **Action**, choose **Link** to pick your existing account.

**Important: Do NOT select "ADD" in the Action column unless you intend to add a new account to Quicken.**

7. Click **Finish**.

## Quicken Windows Web Connect

### On Monday, September 23<sup>rd</sup>, 2024:

1. Backup Quicken Windows Data File and Update.
  - a. Choose **File > Backup and Restore > Backup Quicken File**.
  - b. Download the latest Quicken Update. Choose **Help > Check for Updates**.
2. Complete a final transaction download.
  - a. Complete last transaction update before the change to get all of your transaction history up to date.
  - b. Repeat this step for each account you need to update.
  - c. Accept all new transactions into the appropriate registers.

### On or After Monday, September 23<sup>rd</sup>, 2024:

1. Deactivate online banking connection for accounts connected to Abington Bank.
  - a. Choose **Tools > Account List**.
  - b. Click **Edit** on the account to deactivate.
  - c. In Account Details, click **Online Services**.
  - d. Click **Deactivate**. Follow prompts to confirm deactivation.
  - e. Click the **General** tab.
  - f. Delete Abington Bank and Account Number information.
  - g. Click **OK** to close window.
  - h. Repeat steps for any additional accounts.
2. Reconnect online banking connection for accounts that apply.
  - a. Download a Quicken Web Connect file from your Abington Bank's online banking site.
  - b. In Quicken, choose **File > File Import > Web Connect (.QFX) File**.
  - c. Use the import dialog to select the Web Connect file you downloaded. An "Import Downloaded Transactions" window opens.
  - d. Choose **Link to an existing account**. Select the matching account in the drop-down menu. Associate the imported transactions to the correct account listed in Quicken.
  - e. Repeat this step for each account you have connected to Abington Bank.

## Quicken Mac Web Connect

### On Monday, September 23<sup>rd</sup>, 2024:

1. Backup your Quicken Mac data file and update the application.
  - a. Choose **File > Save a Backup**.
  - b. Download the latest Quicken Update. Choose **Quicken > Check for Updates**.
2. Complete a final transaction download.
  - a. Complete last transaction update before the change to get all of your transaction history up to date.
  - b. Repeat this step for each account you need to update.
  - c. Accept all new transactions into the appropriate registers.

### On or After Monday, September 23<sup>rd</sup>, 2024:

#### Activate online banking connection for accounts connected to Abington Bank.

1. Select your account under the Accounts list on the left side.
2. Choose **Accounts > Settings**.
3. Select **Set up transaction download**.
4. Enter North Shore Bank (New) in the search field, select the correct option and click **Continue**.
5. Log into Abington Bank's online banking site and download your transactions to your computer.

**Important: Take note of the date you last had a successful connection.** If you have overlapping dates in the web-connect process, you may end up with duplicate transactions.
6. Drag and drop the downloaded file into the box titled **Drop download file**. Choose **Web Connect** for the "Connection Type" if prompted
7. In the "Accounts Found" screen, ensure you associate each new account to the appropriate account already listed in Quicken. Under the Action column, click **Link** to pick your existing account.

**Important: Do NOT select "ADD" in the Action column unless you intend to add a new account to Quicken.**
8. Click **Finish**.

## Quicken Windows Bill Pay

Only complete these tasks if you currently initiate Bill Payments from within Quicken Windows.

**Important: These tasks must be completed as the bill pay service via QuickBooks will be discontinued as of Friday, September 20<sup>th</sup>.**

### On or Before Monday, September 23<sup>rd</sup>, 2024

#### Cancel Existing Bill Payments.

1. Choose **Tools > Online Center**.
2. Choose Abington Bank in the drop-down list.
3. On the Payments tab, choose an account from which a payment is scheduled in the future.
  - Note the payment details if you would like to re-create them in online banking
4. In the payments status list, you will cancel payments for each payee with a status that is scheduled for delivery on a date after the 1st Action Date. To do this, select the first payee and click **Cancel Payment**.
5. Repeat steps 3 & 4 for all payments that are scheduled for delivery after the 1st Action Date.
6. On the toolbar, click **Repeating**.
7. Choose a payment instruction and click **Delete**. Click **Delete** again in the confirmation window.
8. Repeat step 7 for each repeating payment you have with Abington Bank.

### On or After Monday, September 23<sup>rd</sup>, 2024

#### Re-create Your Bill Payments.

You may re-create your bill payments via your Abington online banking site. Simply login to your Abington online banking and click the "Pay My Bills" option to get started.

## Quicken Mac Bill Pay

Only complete these tasks if you currently initiate Direct Connect Bill Payments from within Quicken Mac.

**Important: These tasks must be completed as the bill pay service via QuickBooks will be discontinued as of Friday, September 20<sup>th</sup>.**

### On or Before Monday, September 23<sup>rd</sup>, 2024

#### Cancel Existing Bill Payments.

1. Highlight a Bill Payment transaction on the account register.
2. While on the account register, choose **File > Print** to save your list of pending payments. You can use this when you re-create the bill payments and send these payments again.
3. Click **Edit** at the bottom of the account register window.
4. Click **Edit Details** below the highlighted transaction.
5. Click the Online Payment tab and choose **Cancel Payment**.
6. Repeat these steps for each outstanding Bill Payment you have scheduled with Abington Bank.

### On or After Monday, September 23<sup>rd</sup>, 2024

**Note:** This section only applies if your institution will support Bill Payments initiated from within Quicken Mac after the system change.

#### Re-create Your Bill Payments.

You may re-create your bill payments via you Abington online banking site. Simply login to your Abington online banking and click the "Pay My Bills" option to get started.
